

- Login to admin-dt.convoso.com // Add assertion you are logged in.  
(Login and password are listed below in the requirements section on the last page.)
- Go to Call-Center -> "DNC" section.

- Click on Upload DNC button // Make sure you are redirected to the DNC upload page.

- At the bottom of the page you can see the 'Add Single Number' section.  
Add 10 different numbers one by one, with "+1 United States" as country code and "Global DNC List" as "Campaign".  
(The list of numbers is listed below in the requirements section on the last page.)

// Check if all the numbers have been added successfully.

- Move back to DNC manage page (Call Center -> DNC) and search for this numbers

The screenshot shows the top navigation bar with links: Account, Call Center, Reports, CRM, Apps, API, Phone System, Virtual Agent, Knowledge Center, and Admin Logs. Below the navigation bar, it displays 'Total DNCs in Account: Calculate' and 'Total DNC Capacity: 1,480,000'. The main section contains filter and search options:

- Filter By:** A dropdown menu with 'Campaign' selected. Above it, a red box and arrow labeled '1' point to the dropdown. Above the dropdown, text says 'Choose 'Campaign' option'.
- With/In:** A dropdown menu with 'Global DNC' selected. Above it, a red box and arrow labeled '2' point to the dropdown. Above the dropdown, text says 'Choose 'Global DNC' option'.
- Order By:** A dropdown menu with 'Id' selected.
- Descending:** A dropdown menu with 'Descending' selected.
- + Add Filter:** A button.
- Search:** A green button.

(Filter By: "Campaign" With/In "Global DNC" Option).

// Confirm that given numbers are displayed.

- Click on "Edit" the penultimate number from the list. (Second from bottom)

The screenshot shows a table with 10 rows of DNC numbers. The last row (row 10) is highlighted with a red box. A red arrow points to the 'Edit' button in the last row. The table has columns for ID, Phone Number, Campaign, and Date/Time.

ID	Phone Number	Campaign	Date/Time	Action
5	8884568884		2023-02-22 11:39:20	
6	8884568885		2023-02-22 11:39:15	
7	8884568886		2023-02-22 11:39:10	
8	8884568887		2023-02-22 11:39:04	
9	8884568889		2023-02-22 11:39:47	
10	8884568888	Automation Campaign	2023-02-22 11:38:53	

The screenshot shows the same table as above, but with the 'Edit' button in the last row highlighted by a red box and a red arrow. The text 'Click on the Edit option' is written above the button.

ID	Phone Number	Campaign	Date/Time	Action
5	8884568884		2023-02-22 11:39:20	
6	8884568885		2023-02-22 11:39:15	
7	8884568886		2023-02-22 11:39:10	
8	8884568887		2023-02-22 11:39:04	
9	8884568889		2023-02-22 11:39:47	
10	8884568888	Automation Campaign	2023-02-22 11:38:53	Edit

- Change number to 8884567777. Assign number to campaign "Automation Campaign".

The screenshot shows the 'General Properties' form for editing a DNC number. The form has three main sections:

- Phone Number:** A text input field with '8884568889' entered. A red box and arrow labeled '1' point to the input field. To the right, text says 'Change number'.
- Country:** A dropdown menu with '+1 United States' selected.
- Campaign:** A dropdown menu with 'Automation Campaign' selected. A red box and arrow labeled '2' point to the dropdown. To the right, text says 'Change 'Campaign' select to 'Automation Campaign''.
- Apply Changes:** A blue button. A red box and arrow labeled '3' point to the button.

// Check if the edit was successful.

- Move back to the DNC manage page and search with Filter By: "Campaign" With/In "Automation Campaign".

The screenshot shows the DNC manage page with the following filters and results:

- Filter By:** Campaign (dropdown), With/In (dropdown), Automation Campaign (dropdown)
- Order By:** Id (dropdown), Descending (dropdown)
- Search:** [Search button]
- Table:**

#	Phone Number	Campaign	Insert Date	Action
1	8884568888	Automation Campaign	2023-02-22 11:38:53	[Edit icon]

Annotations in the image include:

- A red box around the filter dropdowns with the text "choose 'Automation Campaign'".
- A red arrow pointing to the "Automation Campaign" dropdown.
- A red box around the table header with the text "Verify that edited number is on the page".
- A red arrow pointing to the first row of the table.

// Check that the number can be found and also that the settings have been changed.

- Perform the removal of these numbers via the internal API request in the after-hook.  
(You can find the corresponding request in the network when deleting/searching numbers through UI).

The screenshot shows the Convoso interface with a green message box stating "DNC deleted successfully" and "DNC '11310' was deleted." Below the message is a table of results:

#	Phone Number	Campaign	Insert Date	Action
1	8884565454		2023-02-22 12:17:45	[Edit icon]
2	8884568880		2023-02-22 11:39:40	[Edit icon]
3	8884568881		2023-02-22 11:39:34	[Edit icon]

Below the table is a pagination bar showing "3 Results Found" and a "Help" button.

On the right, the network log shows a DELETE request to the URL `https://admin-dt.convoso.com/dnc/11310/delete?id=11310` with a status code of 200 OK. The request is highlighted with a red box.

See requirements below.

**Requirements:**

- All code must be in one `it()` block.
- Push the project to github. Do not hardcode credentials and don't push it to github, send it as a separate file, for example.
- Add additional assertions of your choice.

**List of numbers:**

8884568889

8884568888

8884568887

8884568886

8884568885

8884568884

8884568883

8884568882

8884568881

8884568880
